## Spanish Department

### H2 JC2 Programme 2026

Skills tested: reading, writing, speaking and listening.

	Topics covered
Term 1	<p><b><u>Health &amp; Well-being: National Sports and Society</u></b></p> <p>Why are community sports and fitness initiatives important, and how are they supported?</p> <p>How does participation in sports reflect cultural attitudes toward health and lifestyle?</p> <p><b><u>The Environment, Sustainable Living, Protecting Our World</u></b></p> <p>How can individuals and nations work together to protect the environment, combat climate change, and promote sustainable living?</p> <p>What role do energy choices, biodiversity preservation, and ethical treatment of animals play in ensuring a healthy planet for future generations?</p>
Term 2	<p><b><u>Science and Technology</u></b></p> <p>How do scientific and technological innovations — from medical advances to artificial intelligence — improve our lives while raising ethical, privacy, and security concerns?</p> <p>What impact does technology have on education, work, and social connections, and how can society ensure equal and responsible access for all?</p>
Term 3	<p><b>Revision – Exam Simulations</b></p> <p>This section focuses on preparing for final assessments through targeted revision and realistic exam simulations. Students review key topics, practice under timed</p>

	conditions, and develop effective study strategies to build confidence and improve performance. The goal is to identify areas for improvement, strengthen knowledge, and become familiar with exam formats and expectations.
Term 4	<b><u>REVISION PRELIM PAPER, GCE LEVEL EXAMINATIONS (23-24 Sep.)</u></b>

--- THIS SCHEME OF WORK IS TENTATIVE AND SUBJECT TO CHANGE ---
